## OUR Pastors

Clint and Stephanie Poncy both grew up in Terrell, TX. In fact, they have gone to school together since the third grade. Though they did not know of each other until middle school, Clint and Stephanie became high school sweethearts.

After high school, they both left to attend college at Southwestern Assemblies of God University. Clint studied Youth Ministry and Stephanie majored in Counseling Ministries.

They have served both the Rockwall and Rowlett area as Youth and Children's pastors for five years prior to coming to The Lakes Church, where they joined the staff as Youth Pastors.

Clint and Stephanie's desire is to see this generation realize their God given purpose. They hope to enable each student to become the person they were designed to be by providing for them an atmosphere every Wednesday night were they can encounter God in a powerful worship service, with relevant lessons to today's teens and with a community of other young believers who are all united in One purpose; to know God and have a real relationship with Him.

## 5 Steps to Reach the One

### D-Group

D represents the word discipleship. Discipleship is a primary focus of One Student Ministries.

These groups consist of an adult sponsorship program as well as a teen discipleship class coupled with a summer internship program for students and college age students who may be interested in working in ministry or business.

D-Group is our main leadership outlet for personal development ministry.

### Pack-Yo-Ride

This is in essence the beginnings of bus ministry. As in the season of our ministry we do not have busses, we will be asking parents and dedicated volunteers to provide a ride to church. The concept is simple, a teenager sponsored by a parent or volunteer will communicate with the parent as to how many kids will need a ride. The kids come over to the student's house after school to hang out. At the designated time the parent or volunteer will pick the kids up and drop them off at church. After church the parent that drove them will be responsible to drop them off.

### Young Life

Young life consists of three areas One is Home groups:

This is the small group programs that are centralized around small group curriculum at a parent or adult leaders home.

Outreach Nights:

These are fellowship nights and home hangouts as well as all nighters. These groups will be organized by student leaders and have adult leadership and parent oversight.

Young life is our way to connect all our students to each other within their community and help create connection

### Impact

Impact is our missions program that is divided into three main categories.

Local Missions:

These programs will provide over night and short term missionary training, including homeless outreach as well as shelters and food banks.

Foreign Missions:

This will take the form of a Domestic or International Missions trip planned and provided by the Assemblies of God.

### Set Apart

Set apart is our divided guys and girls program. In order to explain how to live a full life as a man or women of God, there must be time set apart from each other to deal with the issues that are specific to our gender. This program will include purity conferences, small group devotions, theme nights and sermon series.

### The MVP Principal

The MVP principal is the defining of what our ministry is all about and includes Mission, Vision, and Purpose. With these goals lined up and defined, we hope that students will be able to catch the magnitude of the vision that God has for One student Ministry

### The M

The Mission of One Student Ministries is found in Matthew 28, Where Jesus simply gives the command to go into all the world and make disciples of all people, baptizing them, and teaching them to obey. Starting in 2013, God has given us the vision to double in number every year for the next five years. We believe that strong Christian young people with a heart for missions foreign and domestic is the key to seeing this goal achieved.

### The V

The Vision of One Student Ministries is to develop a generation of young people that are passionate about reaching their peers, serving their community, and changing their world. The main reason for this model is found in 1 Timothy 4:12 "Let no one despise your youth, but be an example to the believers in word, conduct, love, spirit, faith, and in purity"

### The P

Our Purpose is based off a passage of scripture found in Luke 15, Which asks a question to it readers, saying "Who of you having a hundred sheep and loses one does not leave the ninety-nine to go after the one?" One Student Ministries is purposed to seek after the one relentlessly, bringing students into the kingdom of God
